FLY TIPPING

We have had reports of an increase in fly-tipping. Brighton and Hove Council states that common examples of fly-tipping are:

- leaving household items, appliances and furniture by communal bins.
- leaving items on the pavement for others to take away or reuse.
- dumping rubbish or building materials in the countryside or green spaces.

GOOD GYM COMMUNITY GREEN CLEARANCE

The GoodGym team took part in a community clearance at the Cat's creep in July.

Despite the rain on the day of the clearance we had four Round Hill ward volunteers, Aurelie (from Sylvan Hall Residents Association), Rob and Josh and a good number of brave GoodGymers.

We managed to clear lots of weeds.

The Brighton and Hove Council Tidy Up Team were so impressed with the work, they are now considering procuring us a tool box for future community clearance, pending some funding, and our (Green) councillors' support.

Please look out for other community events on the Facebook Round Hill Notice Board.

WEED-FREE ROUND HILL

By Cllr Raphael Hill

Thank you to Cllrs Ellen McLeay and Kerry Pickett for joining myself and Pete West for our weeding and litter picking session on the Cat's Creep and Round Hill Crescent.

Next time we want to co-ordinate the timing with Goodgym and the Tidy Up Team activists to make sure it is not just a Green Councillor meet up! After three hours we filled 15 bags full of weeds with a bag for rubbish as well.

One nasty discovery was a lot of dog poo under the weeds, despite the signage on the streets. Please be mindful when dog walking to clear up mess. And please help by clearing obstructive weeds in front of your properties.

THE OTHER BRIGHTON PRIDE

By Emmanuel Valentine

As a new Round Hiller, getting the bus to Pride preparations at 8:30 am felt early. I march every year with the local LGBT rugby club, the Brighton & Hove Sea Serpents, and true to tradition, we start the day with breakfast at our president's apartment on Brunswick Square. Before moving to Crescent Road I lived in Hove, so I could walk there in minutes.

This year's weather was pretty good so we marched and celebrated with huge crowds around us. Highlights included seeing our trans players lifted on the shoulders of their cisgender teammates, handing the ball to small kids so they could throw it back (to rapturous applause), and my sister Julia breaking through the crowd to give me a hug.

The procession ended at Preston Park and my next destination was **DIY Pride**. I stopped off at home to change from my rugby kit to my glad rags, and sauntered down the hill to Saunders Park. Sadly, at this point the weather had turned on us and it began to rain quite heavily.

Undeterred, a few hundred queer folks from around the city and beyond stuck around and made the most together. DIY Pride focuses on protest, solidarity with other movements and accessibility - things that are in many ways forgotten by the mainstream Pride events, with their high-profile guests and acceptance of corporate sponsorship. The celebration grows every year, with workshops, speeches and an accepting vibe.

After succumbing to the weather, I was relieved to be able to walk the five minutes home to my new neighbourhood, full of happiness and knowing that, however you celebrate, the city has you covered for Pride.

Please give DIY Pride a follow if you are on social media and make sure to stop by next Pride!

COMMUNITY GROUP OF THE QUARTER

Brighton and Hove Wildlife Advice & Rescue Service (WARS)

Brighton and Hove Wildlife Advice & Rescue Service is run by a group of volunteers on Facebook that have been rescuing wildlife in Brighton & Hove and the surrounding areas since 2018.

They rescue all kinds of birds, foxes, badgers, hedgehogs and rodents.

Once you join the group and you request support with rescuing an animal, the post will get added to the volunteers WhatsApp group.

Whoever is in the area will respond on Facebook confirming whether they can help, and take the animal to either a wildlife-friendly vet or a professional wildlife rescue centre.

If you would like to volunteer please join the Facebook group. There is a Justgiving page set up to support the group for equipment such as animal carriers, nets etc. Please donate to:

VOLUNTEER OPPORTUNITY: REPRESENT ROUND HILL ON THE CONSERVATION ADVISORY GROUP

By Julia Valentine

The Round Hill Society is looking for a resident to step up and represent our community on the Brighton & Hove Conservation Advisory Group (CAG). This is a volunteer role where you can make a real impact on local planning decisions.

CAG brings together conservation groups to review and advise on planning applications that affect our area's historic buildings, parks, and more. Meetings are held every four weeks on Tuesdays at 10 am, lasting about three hours.

We need a new CAG representative to continue this work, shaping recommendations on key developments as they arise.

Our community has a strong history of standing up for what matters - like when we successfully fought to save Richmond House from demolition.

If this sounds up your street but you can't make that timing work, a good alternative option would be to join the RHS committee as the CAG liaison.

EVENTS AND 'WHAT'S ON'

ROUNDHILL COMMUNITY STREET PLAY: ANNUAL WATER FIGHT AND FUNDRAISER

On August 10th, the Round Hill community came alive with laughter and excitement during the much-anticipated Street Play Splash Day. The event brought together residents of all ages for an afternoon of spirited fun and neighbourly bonding.

As usual, the water fight was a great success, with participants eagerly preparing their water pistols, buckets, and other creative water contraptions.

After a bit of friendly intervention to reign in some overly enthusiastic grown-ups, and with water supplies fully topped up, the games began. The streets were soon filled with the sounds of splashing water and joyful shrieks as everyone joined in the playful chaos.

In addition to the water fight, the event featured delicious baked goods and refreshing punch, courtesy of Jane, Dom, and Chris. Their contributions not only added to the enjoyment of the day but also helped raise £45, which will go towards funding future community events.

The Round Hill Street Play was a resounding success, embodying the spirit of togetherness and fun that defines the community.

DATE FOR COMMUNITY CAROL SINGING - 19th DECEMBER

By Steve Bustin

It might seem like a long way away but Christmas will be with us once again in the blink of an eye, so mark your calendar for one of our most popular neighbourhood events: carol singing around the streets of Round Hill to raise money for a local charity.

We'll gather at 6pm on Thursday 19th December at the bottom of The Cats Creep on Round Hill Crescent and sing our way around as many of our streets as our voices (and the temperature) allow!

We'll be raising money for a local food bank by singing festive favourites (traditional carols and some of the popular Christmas songs) and everyone is welcome to join us for as long or as little as they like - families and children very welcome

Bring a torch and bells to jingle and we'll provide songbooks and the all-important buckets for collecting donations - we'll even have a card machine for those that no longer carry cash. Don't worry if you usually only sing in the shower - we welcome all voices!

If you can't join us to sing, listen out for us singing under a lamp post near your house and give us a wave (and a donation).

We'll publish our intended route (and any necessary weather updates) nearer the time on the Round Hill Community Facebook Group.
