THE CATS CREEP WILL NOT BE SPRAYED WITH GLYPHOSATE

Councillor Raphael Hill, told The Reporter: "I took the opportunity to show our Council's new CEO Jess Gibbons around the Cat's Creep, and I was told shortly afterwards that it will be exempt from spraying. Well done to everyone who spoke up about this and for helping to protect our amphibian friends. All other hard surfaces like nearby streets will be sprayed".

Threat to Ditchling Beacon 79 Bus Route By Peter Meakin

In March the council announced it was ending a £58,000 annual subsidy, scrapping the Ditchling Beacon bus and reducing the Devil's Dyke service.

The Breeze up to the Downs routes are just a few of the bus services in the city which receive a subsidy because of their benefit to the community, and in England fares amount to less than half of running costs (2022). Providing residents and visitors car-free access to the South Downs National Park, the Breeze buses tick all the boxes for support, but low passenger numbers have made them a target for the cash-strapped local authority.

Following protests, including a petition signed by over 1000 residents, the decision was reversed, however this is only a temporary reprieve. According to Trevor Muten, Transport and Sustainability Committee Chair: "We have one year more of funding these services and they can only continue beyond that if they're commercially viable. We will be monitoring the passenger numbers".

COMMUNITY GROUP OF THE QUARTER

By Davy Jones

The Brighton Yoga Foundation, launched in 2016, is a registered charity that brings yoga to those who don't normally have access to it – either due to cost, thinking that yoga is “not for people like me”, or being unaware of the benefits. It has raised more than £120,000 in grants. Last year it delivered nearly 300 classes to over 2100 participants, including in Mill View mental health hospital and Lewes prison.

It has also delivered programmes for women recovering from domestic abuse and sexual violence, for people recovering from serious illness and addictions, for young people in schools, chair yoga for those with mobility issues and for homeless people (one of whom has now gone on to train to be a yoga teacher himself!).

The highly successful annual Brighton Yoga Festival was set up in 2014 by Roundhill residents – Davy Jones and Jane Platford. The 11 th festival was on Saturday 15 June at St Georges Church with more than 600 people attending.

Feedback from participants has been incredible – one woman recently wrote to say: “Your classes have literally saved my life.” In the last two years it has won two national awards for its work: <https://www.brightonyogafoundation.org>

EVENTS AND 'WHAT'S ON' SECTION

ROUNDHILL STREET PLAY EVENTS: BUILDING A COMMUNITY ONE PLAY DATE AT A TIME

By Laura-Kate Roe

The Round Hill Street Play events have become a cherished tradition, fostering a sense of community and joy among local families. The latest event, held on 2nd June, was a resounding success, bringing together Round Hillers for an afternoon of fun and connection. The plant sale which along with refreshments and Lola/Saskia's face painting stall raised £221.73 for the community planters.

These playdates are more than just a chance for children to play, they are a cornerstone for building relationships within our community. Watching new friendships form among the children and seeing parents connect over shared experiences is what makes these events truly special.

However, organizing these events is not without its challenges. We appreciate everyone who helped but we often struggle to secure enough volunteers to supervise activities and keep the children safe. The success of these events relies heavily on the support of our community members.

Please see the next page for upcoming dates for your diaries.

VOLUNTEERING OPPORTUNITY

We urge anyone who can spare some time to get involved. Your participation, no matter how small, makes a significant difference, and ensures that we can continue to provide these enriching experiences for our children.

We look forward to many more successful play events in the future, and hope to see even more of our neighbours joining in the fun and lending a helping hand.

Together we can keep the spirit of Round Hill alive and thriving.
Please contact laura-kate.roe@outlook.com to get involved.
