

Wakefield Road

TRAFFIC INFORMATION

August 2004

Brighton & Hove City Council is seeking your views

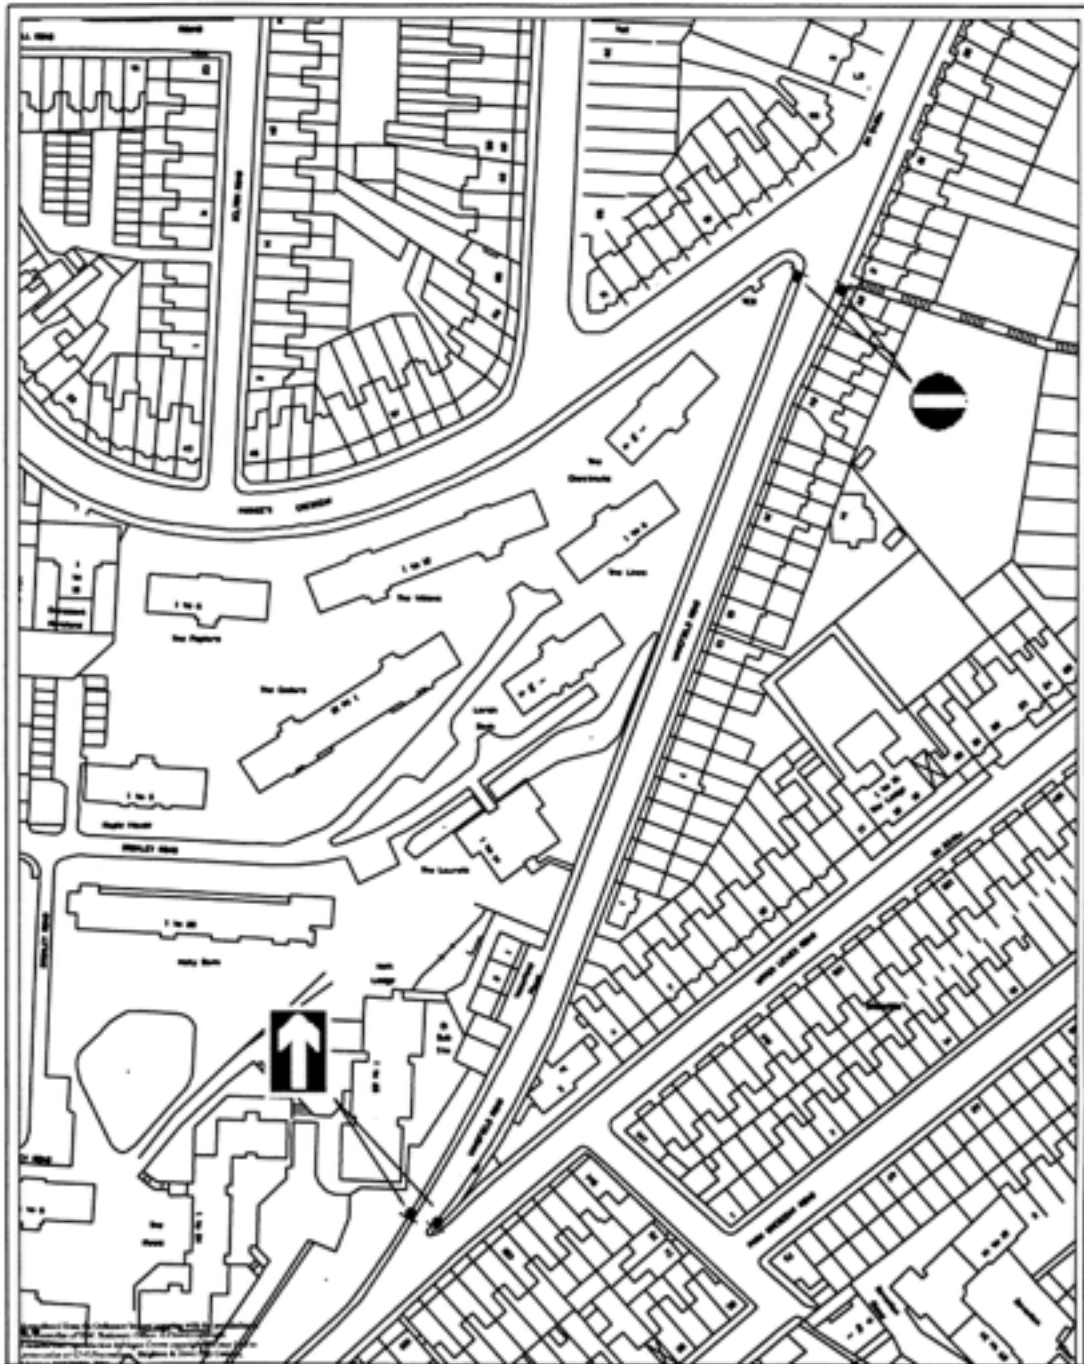

Since the introduction of a permanent road closure of Richmond Road, Brighton & Hove City Council have been monitoring the effect of traffic that has been displaced into adjacent roads.

This has shown an increase in the traffic using Wakefield Road and consequently we are seeking your views, as residents and businesses, on what further measures, if any, could be implemented to reduce the impact of this.

Please take time to look at the options and then return the attached questionnaire to Brighton & Hove City Council at the freepost address by **Friday 3 September 2004**. If you would like any further information about the proposals please contact Len Holloway on 01273 292184 or email len.holloway@brighton-hove.gov.uk or write to:

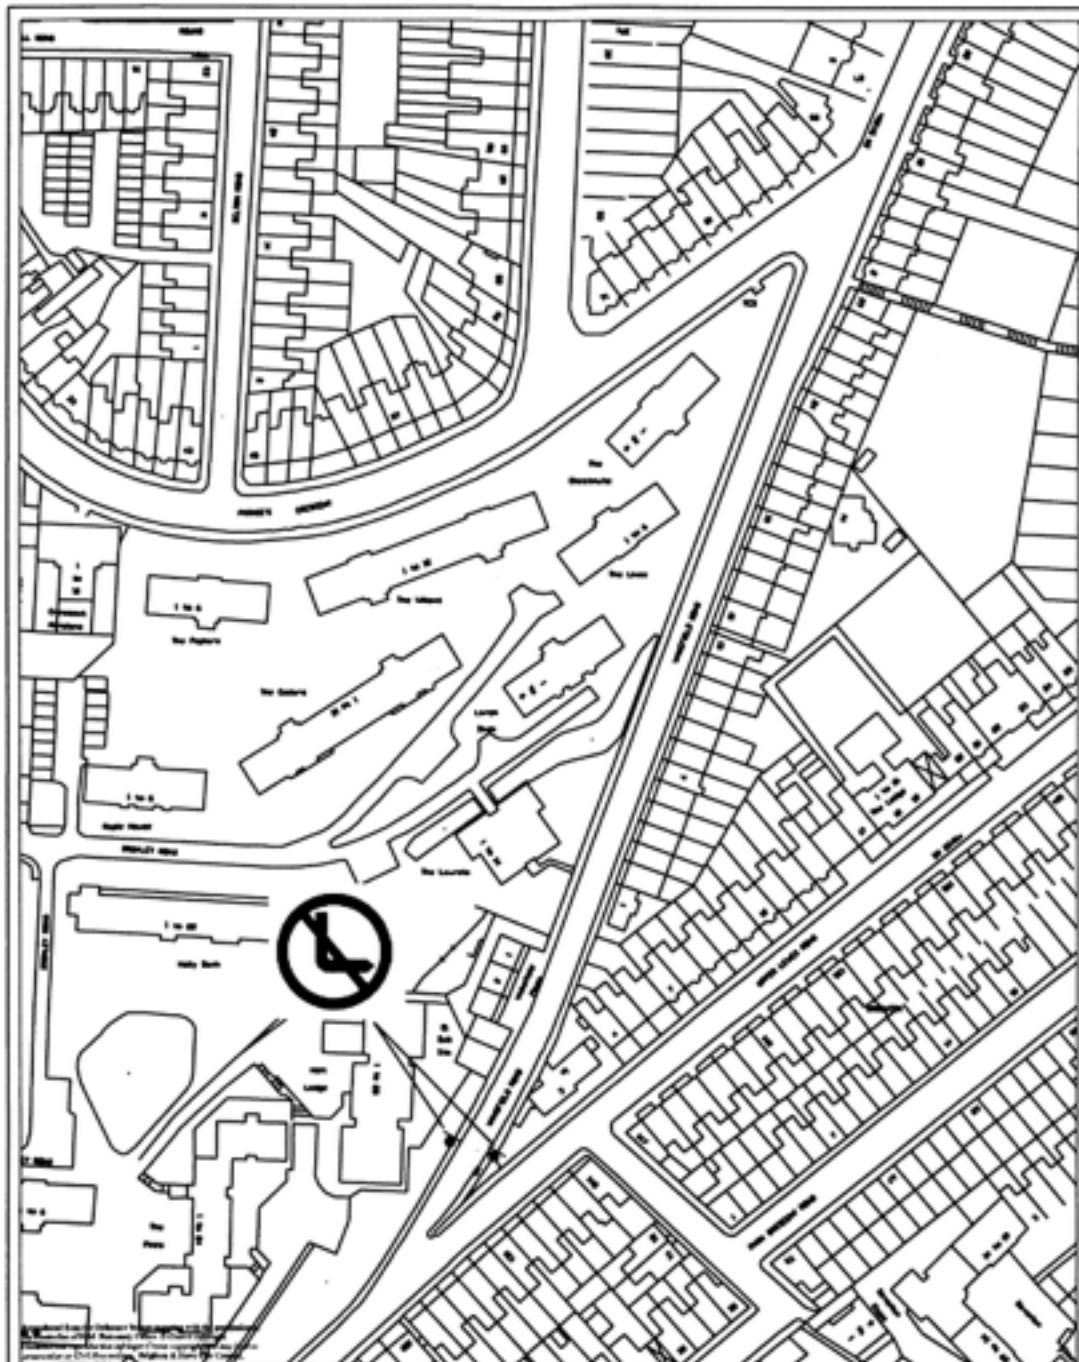

**Len Holloway, Brighton & Hove City Council,
Hove Town Hall Norton Road, Hove BN3 3BQ**

<p><i>Option 1</i></p> <p>Wakefield Road one way up hill Introduce a "no-entry" at the junction with Princes Crescent This will reduce the amount of traffic using Wakefield Road instead of Ditchling Road and Upper Lewes Road but may lead to longer journeys for some residents.</p> <p><i>Option 2</i></p> <p>No left turn Introduce a "no left turn" at the junction of Upper Lewes Road Again this will reduce the amount of traffic using Wakefield Road but will reduce the need for longer journeys for residents</p>	<p><i>Option 3</i></p> <p>Traffic calming Introduce a series of road humps This will reduce the speed of traffic but may not reduce the volume of traffic. It will not affect journey lengths for residents.</p> <p><i>Option 4</i></p> <p>Do nothing</p>
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Option 1

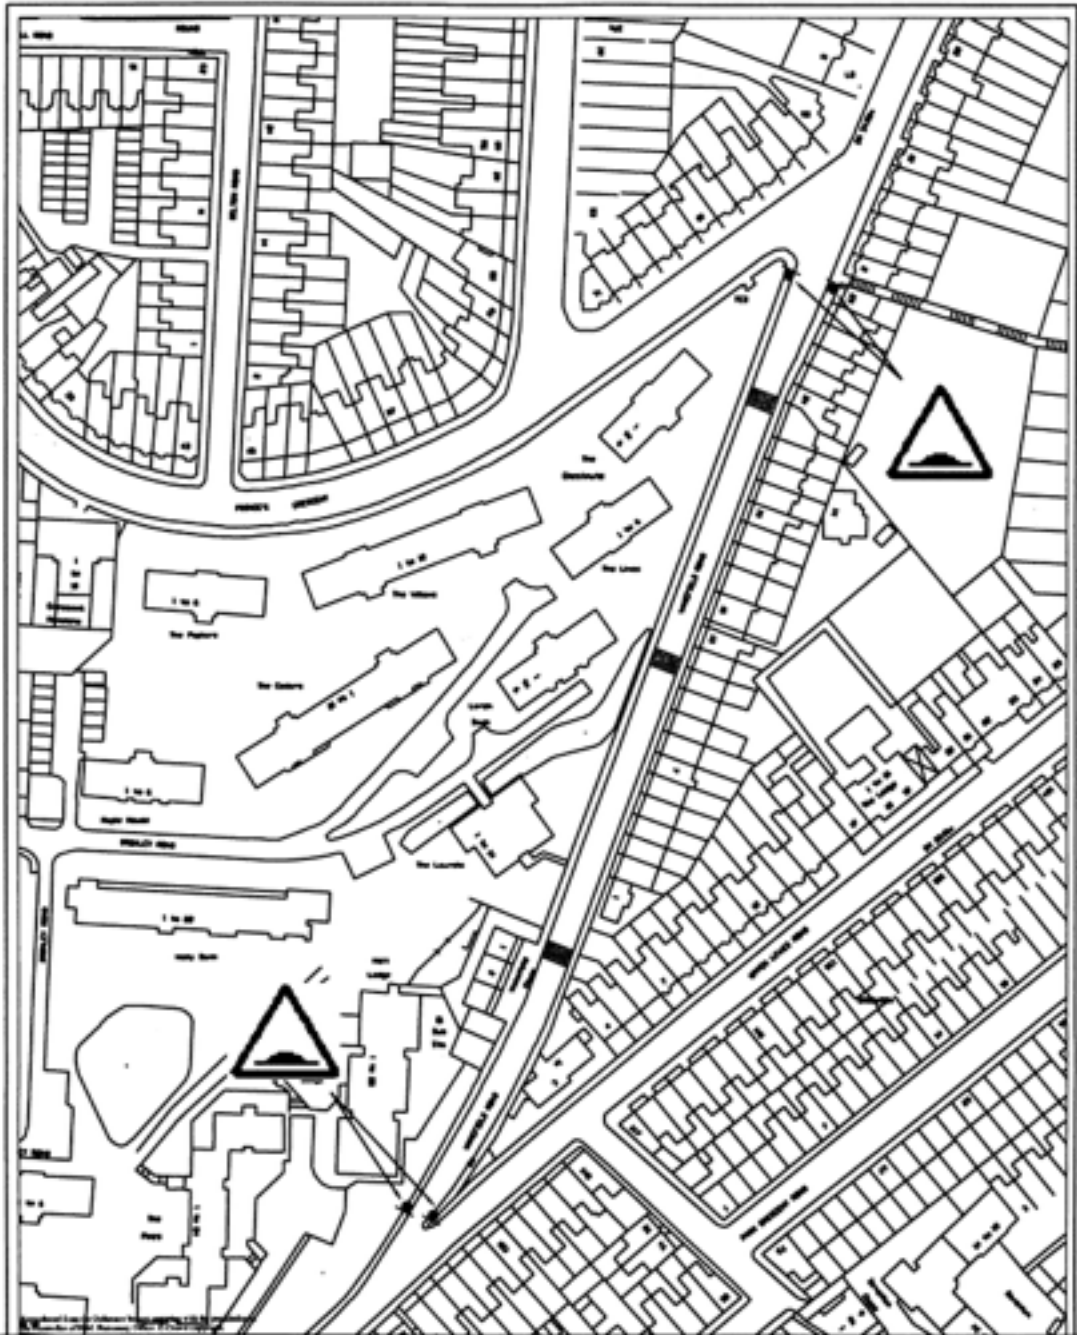

One way

Option 2

No left turn

Introduce a 'no left turn' from Wakefield Road
into Upper Lewes Road

Option 3
Traffic calming
